Iligan Films was founded by a group of young people from various groups that are enthusiastic and passionate about creating creative content that promotes the principles and talents of Iliganons through filming, vlogging, and providing services.

Celebrating the 10,000 followers on the Facebook page. We have shared our first cover song to a music video with String Station, a group of musicians who have gathered 2.3 followers on Facebook. We have released our first cover song to a music video. Through social media, the music video reached 9,358 users and received likes and shares.

In keeping with this, we are currently working on our second project, a cover of a different song from a music video that depicts the Filipino Christmas season. Beginning on December 12, 2022, production will begin, and a week before Christmas, the movie will be uploaded. For a quick background, the song is entitled "bibingka" by ben&ben. This music video will be performed and covered by one of the best collaborative efforts of the String Station
